MILLENNIUM PLAZA PARK PHASE 4

Project Description:

The proposed improvements will complete the final phase of Millennium Plaza Park. Improvements (described below) will increase connectivity and accessibility between the upper and lower park areas. They will also enhance the views of Lakewood Bay, provide more area for the Farmers' Market, and visually enhance the park. (Please refer to the site plan on the back of this information flyer).

Design Elements:

- Tree grove (Mt. Fuji cherry trees)
- Water feature
- ADA accessible ramp
- Pergola addition for storage

Construction Details/Schedule:

Construction will be completed by May 2010, in time for the opening of the Farmers' Market.

- Millennium Plaza Park will be temporarily closed during the construction period.
- For portions of the construction period, the traffic circle at the intersection of 1st Street and Evergreen Road will be partially closed for construction, but will continue to allow for two-way traffic.
- Parking along Evergreen Road between 1st and 2nd Streets will not be allowed, except in the recessed parking bay (3-spaces).
- Additional parking can be found in the Lakeview Village parking structure.
