

**Treasury Report** – \$ 389.35...Diana has some materials for a quilt – that can be made and raffled off at the farmers market. Looking for volunteers

## Updates

Stop sign project – implemented in three phases

Community Center Updates are available on the website at [www.lakeoswegocommunitycenter.org](http://www.lakeoswegocommunitycenter.org) . A survey is also available to take on the website. Very important to go to the website and complete the survey. Next public meeting will be in February. Tracey will send out a reminder to the FAN email distro list to remind people to complete the survey.

Infill standards – discussion about a design review committee to prevent cookie cutter look. Discussion about city setting incentives or putting into code green/lean standards

Forest Hills Plan Meeting will be January 16<sup>th</sup> at Forest Hills – contact Carol Ockert at 503-635-9467 for more information.

Lake Oswego Neighborhood Action Coalition (LONAC) – next meeting on January 6<sup>th</sup> (Saturday) at 9:30 at Heritage House. Guest speaker is person who approves new building code and exceptions, Hamid Pishvaie.- Should FAN/Forest Hills have a membership? Motion made to join LONAC and pay 15.00 – seconded. When dues are paid, representative(s) need to be designated. Recommend Chair, Lisa Shaw Ryan, Vice Chair – Ed Swartz, Jim Bolland, Brad Beales.

Tree Committee: one pending permit 720 6<sup>th</sup> street. Two Japanese maples. Controversy – cut into the roots. Web page now on the FAN website. Tree comment form – tree permit application are on web page. Block maps are on the web page. Tree inventory are listed. City is considering doing an inventory as well. City is giving kudos to the tree committee. City wants FAN to inventory street trees on city property. David Odem will meet with the tree committee in the near future.

Next meeting will look at Ed's powerpoint presentation about Cleanstreams Plan and how it affects right of way and streetscape.

Alley clean up – graveling of alleyways: recommend switching pickup of garbage and recycling to the alley as soon as the pipe work in the alleys is completed. Because of the drainage work, the alleys are being widened – thus making room for Allied Garbage trucks. Request Lisa talk with city to ensure that the gravel is sufficient to handle multiple bigger trucks.

New business – interest in neighborhood polling – need to think about questions to ask – how to differentiate renters vs owners. – bring ideas about questions to next FAN meeting.

Next meeting agenda items – discussion on Community Center – specifically the Adult Community Center.

Adjourn 8:40 pm
